## PGC Mission

PGC will examine all aspects of the swing, paying particular attention to the fundamentals that allow for a repeatable, life-long swing. Video analysis will provide campers with a better understanding of their swing, and a highlight DVD will commemorate their time at camp and provide reminders of the lessons learned during the week. However, PGC also feels strongly about having the experience be more than just about the *perfect swing*. Campers will learn course management, proper etiquette, and some strategies for lower golf scores. In addition, Bickford and his staff also will stress campers' respect for the game, their peers and themselves. Peddie Golf Camp not only seeks to make campers better players, but also teach them ways to become better people.

## Director: Ben Bickford

Ben Bickford, head coach of Peddie's varsity golf program, leads one of the most successful golf programs in the state and in 2009 earned Coach of the Year honors from *The Trenton Times* for the second year in a row. Peddie Golf has won the state championship 4 of the last 5 years with a record setting 4 over par as a team in 2007 state tournament. Bickford earned his Level 3 Golf Teaching Professional Card from the U.S. Golf Teachers Federation with perfect marks during all phases of the testing and a 3<sup>rd</sup> place finish on his Playing Ability Test. A graduate of Franklin and Marshall College, Bickford has over 10 years experience working with young people. He is most proud that Peddie golf is synonymous with the finest aspects of the game of golf; namely, integrity, honor and respect, and that type of attitude will certainly be brought to Peddie Golf Camp.

## The Peddie Golf Course

With rolling fairways and undulating greens, the Peddie Golf Club is one of the area's finest courses. This beautifully maintained, 18-hole, par-72 course challenges golfers at every skill level. The tree-lined course is a challenging test that demands accurate rather than booming drives. The signature hole is No. 4, a 380-yard, par 4, with a narrow tree-lined fairway with water in front of the green. The golf course is situated a quarter-mile south of the main Peddie campus.
